

Horndon on the Hill Village Hall

Access Statement

Charity Number: 274903

Horndon on the Hill Village Hall strives to make its facilities available to all members of the local community. To that end, the following access policy has been adopted.

The Trustees will:

- Ensure all buildings and facilities are compliant with disability discrimination legislation and that all users are treated fairly and equitably.
- Make the build is available to all members of the local community throughout the year, at times and dates that meet the hirers' requirements, on a first-come, first-served basis.
- Maintain a **clear and consistent pricing policy** for all users, ensuring that hire charges are transparent and applied equally.
- Set charges to cover the operational costs of the hall.
- Review hire charges annually to ensure that they remain fair and reflect the costs of maintaining and running the hall.
- Publish all hire charges so that users are fully informed before booking.

This is the first access statement for the hall.
